Certificate -

This certificate is redeemable for a reservation form, entitling you to receive a complimentary companion airfare with purchase of a qualifying airfare through a fulfillment travel center. **The minimum available published airfare must meet with the Minimum Fare Requirement schedule published online at www.airfaresavingsforyou.com.** The minimum fares stated on that website are base fares. Base fare is defined as the cost of travel excluding all applicable taxes and fees, including the U.S. Transportation tax, airport facility charges, security fees and fuel surcharges. Applicable taxes and fees apply to both the purchased full fare and complimentary companion ticket. Coach and first class tickets are available for travel within the Continental United States, Canada, Mexico, Caribbean and Hawaii. Some restrictions may apply; specifically travel is only available from major gateway cities within the Continental United States and Canada, and travel between California and Hawaii is only available from Los Angeles, San Jose and San Francisco.

Published rates that are below the Minimum Fare Requirements published online at www.airfaresavingsforyou.com do not qualify for this offer. One of the travelers must be at least 21 years of age at the time of booking. Both travelers must have proper identification available at airport check-in. Reservation requirements apply to both tickets and include; itineraries must be identical, minimum 14 days advance purchase, roundtrip tickets only, Saturday night stay required outside of the Continental United States and Canada, and a maximum stay of 30 days. The fulfillment travel center will determine the airline and routing from the airport closest to your gateway city. Blackout dates are December 15 - January 6 and other seasonal/holiday/special event blackouts may apply. Availability may be limited during certain peak times to certain destinations. You will have one year from the issue date on your reservation form to book your reservations.
